

## Poster Session

**Submission Deadline August 9, 2024**

The Poster Session is part of the annual ASCE Texas Civil Engineering Conference (CECON) happening September 18-20, 2024, in Frisco, Texas. Undergraduate students, graduate students, and Younger Members are invited to showcase their technical work through visual displays and present their research & answer questions from attendees.

**Conference registration is required to participate in the Poster Session. Student registration is discounted through August 31.**

### Poster Content

- For students - Include name(s) and the name of faculty supervisor(s), your department, and university.
- For Younger Members - Include name(s), your company, and job title.
- Research topics are limited to relevant civil engineering subjects.
- Acknowledge ASCE Texas Section as well as any other organization(s) having a working relationship with the poster author, including funding agencies.
- Posters must be submitted in color.
- The maximum size for the poster is 36"x48"; the minimum size is 18"x24".
- As possible, please include the following sections:
  - Title
  - Introduction/background
  - Methodology
  - Findings/results
  - Conclusion
- Please avoid excessive jargon (while using appropriate technical terminology).
- Include references, but not excessively.

### Submissions

- Posters should be submitted in PDF format to Mark Mann at [markmasce@gmail.com](mailto:markmasce@gmail.com) no later than **August 9, 2024**. Notification of acceptance will be sent no later than August 26, 2024.
- Conference registration is required. Advance discounted registration deadline is August 31. Please complete registration at [TexasCECON.org](https://TexasCECON.org).

### Session Details

- You may begin putting up posters at 8:00 AM on Thursday, September 19. Posters will be displayed in the main hallway or in a breakout session room of the conference center. Please look for the number marked with your name and set up on half of that stand.
- The Poster Session Q&A time will be communicated with your acceptance notification. Presenters should stand by their poster and expect to talk with attendees as they view their poster.
- Posters should remain on display until the conference ends on Friday at 1:45 PM.
- Stands will be provided. Please bring push pins and brochures or flyers (sometimes abstracts or mini version of the poster) if you wish to offer takeaways for attendees. Don't forget to put your contact information on this takeaway so attendees can contact you later with questions.
- Please dress professionally and appropriately for a professional conference.

Questions can be directed to Mark Mann PE at [markmasce@gmail.com](mailto:markmasce@gmail.com). Please check [TexasCECON.org](https://TexasCECON.org) for updates.
